

### **Instructions Page – Program Detail – Accountability**

All programs are required to submit data from the last three school years. Programs must show progress in order to apply for and continue to receive funds. Programs with consistently low performance should consider changes to the types of services being provided to delinquent students.

1. Please enter the drop-out rate for the LEA.
2. Please enter data regarding youth served by the program for the last three school years. If the LEA has not received the grant for any of the prior three school years, please enter a 0.
3. Please enter the number of years the LEA has received the grant.

After all data has been entered, please click the SAVE PAGE button at the bottom of the page.
